

Royals,

We are so excited for the new school year in our new building. To prepare, here are the basic items high school scholars will use. We recommend a personal laptop, a graphing calculator TI-84 Plus and the purchase of class books when it is time. Scholars will not be able to take school laptops home. They will not be able to write in their books. Therefore, we encourage you to purchase these items for personalized usage.

If you have any questions, don't hesitate to contact us.

Dr. Michelle Johnson, Head of Elite High
Brandi Johnson, Dean of Students
Deiandra Wade-Anderson, Counselor
