Dear Parents, Guardians, and Members of The Point,

Ten years ago a small group of parents, educators, and community members had a “crazy” idea to open a school. After months of planning and petitioning the state for approval, The College Preparatory and Leadership Academy of High Point was born from the belief that our children deserve an education that will prepare them to be great men and women in the community and in the world.

As you know, there are many wonderful schools in our state. What makes our charter school different from traditional schools in the county is the fact that we must recruit and retain our students. All charter schools are schools of choice. Charter schools are also held to a higher academic standard than traditional public schools. Our students must perform well on standardized tests, and our teachers must continue to grow as professional educators. We embrace the challenge to make sure all students are at/or above grade level, and for those who are advanced learners, we embrace the challenge to stretch them even further.

As we continue along our journey together, this student handbook is designed to lay the groundwork for our common expectations in creating a high achieving and supportive academic and social environment. This handbook communicates the basic policies and procedures that we all must follow to ensure that teaching, learning, and attainment remain the focus of each minute of every day. However, these policies and procedures are just a starting point. As we progress through the year, together we will continue to build our shared learning community.

Most schools have handbooks filled with rules. In the place of rules we establish high expectations for all of our staff and students. While we may be forced to follow rules, we all rise to expectations. If we establish expectations instead of rules, then we are creating leaders instead of followers. If our expectations are universally high for all of our students, then our students will rise to them. Over the past ten years our teachers and students have proven what is possible. We are now the school of choice for the community with a waitlist of scholars from across the Triad.

Thank you so much for joining us on this journey. You are officially a part of the Point Royal Family. The 2022-2023 school year will be phenomenal.

In service to you,

Dr. Michelle T. Johnson,
Co-Founder and Superintendent of Schools

General Information

School Day and Attendance

1. The instructional school day for students begins at 8:00 a.m., and ends in staggered form beginning at 2:30 for lower schools and then ending at 3:15 p.m. for high school.
2. Each student who is late to school (after 8:00 a.m.) will be marked tardy. Three tardies equates to one absence. Consistent tardiness will result in a meeting with the School Leader.
3. Students may not leave the school grounds during the day unless a parent or parent representative has signed the student out and is waiting for the student outside the front office. The lobby is closed to visitors during the school year.
4. If a student is to go home by different means than usual in the afternoon, parents should contact the main office by 12:00 PM. Bus assignments are permanent and may not be changed.

Dress Code

A core value of our mission is to teach students how to be professional and to carry themselves like college scholars. The uniform policy at The Point will instill these values and aid in classroom management. Refer to your school's dress code handout for specifics. If students are not in dress code, they will need to have the proper attire brought to school or they must leave school to obtain the proper attire. Multiple dress code violations will result in out of school suspension.

Homework

The purpose of homework is to reinforce learning and to build academic growth. The more students practice, the better they learn. Homework is given daily and is a requirement for all students. Failing to turn in completed homework daily will result in

*poor grades

*loss of privileges

*homework detention

*loss of extracurricular school activities

Refer to specific classroom policies and syllabi for grade penalties for late work.

MONEY, PERSONAL BELONGINGS

1. Students are not to bring excessive amounts of money. Money brought to school is a student's responsibility.
2. Students may not buy, sell or trade items at school. Students also may not ask for money from classmates.
3. Students are encouraged not to share \$Cashapp or other digital currency information with other students.
4. The school day is so full of learning activities that students do not need toys, radios, earphones, tablets, cell phones, chewing gum or candy. Please leave these things at home. The school is not responsible for lost or stolen items.

TELEPHONE USE

1. Students are allowed to use the school phone for emergencies only. Office staff reserves the right to determine if a phone call is necessary for an emergency.
2. Students are not permitted to use personal cell phones at any time during the school day. Cell phones should be turned off and out of sight inside a purse or bookbag (not in a pocket). Cell phones will be confiscated and returned to parents only.
3. If at any time a parent needs to contact a student, the parent will need to call the front office.

CARE OF SCHOOL PROPERTY

1. Students should take care of furniture, walls and all school property. Damage fees will be charged for defacing school property. If you lose or destroy school property, you will be required to pay for them.

2. Report cards will be held at the end of the school year for students who have not paid fees owed to the school. This includes athletic uniforms deemed property of the school.
3. Please help our teachers in every possible way to keep our school and campus clean.

ABSENCES

Each student who is absent from school must bring and give to the front office a signed note upon returning to school. When a student is absent, the Success Coach will call home. The excuse should include:

1. Student's name
2. Date(s) absent
3. Reason for absence(s)
4. Parent's Signature

A student is required to bring written verification from the appropriate agency's personnel before an absence can be excused. Any excused absence, other than those listed, may require authorization prior to being absent from the Administrator.

Attendance is extremely important. Excused absences are as follows:

- Illness
- Injury
- Quarantine
- Death in immediate family
- Medical or dental appointments
- Court or administrative proceedings
- Religious observances
- Educational opportunity.

Travel is not an excused absence unless it relates directly to an educational opportunity. A "Notice of Excessive Absence" form is sent home when a child has accumulated three to six unexcused absences. Excessive absences may be grounds for dismissal, retention, or court proceedings.

EMERGENCIES

When an accident or illness occurs, every effort will be made to contact a parent or guardian and emergency contact. The section entitled "Permission to Secure Medical Care" was given to every parent or guardian, on the official application so we will have the necessary permission and information to take care of each student in an extreme emergency.

ADMINISTRATION OF MEDICATION AT SCHOOL

If medication must be given at school, written authorization from a parent or guardian is required before school personnel can administer medication. The medication should be in its original bottle and clearly labeled as to its content and dosage. For prescription medication, the student's parent or guardian must provide a written statement from a physician, verifying the need for the drug to be administered at school. If medication is needed for bee stings and such, the medicines can be stored at school and parental permission and physician's forms must be filled out at school in order for us to administer the drug. The school wishes to assist with the health of your children and request your cooperation in following the procedures described. Please notify the school of any unusual health problems--diabetes, epilepsy and the like.

IMMUNIZATION

No child may attend any school, whether public or private, unless a certificate of immunization indicating that the child has received the immunizations required by G.S. 130A-152(s) is presented to the school. The law allows parents of a child who is not immunized 30 calendar days after the child's first day of attendance at school to present proof of immunizations, proof that the child is on a schedule to receive immunizations, or proof that the child has a medical or religious exemption from receiving immunizations. After 30 days, the child must be suspended from school for non-compliance until proof immunizations are presented to the school. Students entering kindergarten will also be required to show proof of a physical examination within the current calendar year.

CONFERENCES

Parent conferences may be scheduled through the classroom teacher. Parent conferences can be scheduled before and after school by appointment through ClassTag or Class DoJo. You can also call the school at 336.884-0131 and leave a message for the teacher. Teachers and parents working together can help a child reach his/her potential; therefore, we encourage and welcome conferences. Teachers may not receive phone calls during the school day or conduct parent conferences while he/she is supervising children.

VOLUNTEER PROGRAM

Volunteers are important to the overall success of our instructional program. Everyone benefits from this program. You do not have to be a trained teacher to be a school volunteer. Parents, grandparents, senior citizens or neighbors-anyone who has a genuine interest and love for children—are outstanding volunteer candidates.

Due to COVID-19 protocols, we ask parents to volunteer in a manner outside of the school building and to support our school and classrooms with much needed items and/or other services.

CHECKING STUDENTS GRADES

Report Cards are sent home quarterly. We encourage you to work with the teacher to help your child on a weekly basis, before quarterly report cards. Please check your child's book bag every week and ask for school work. You can also check Powerschool for updates on students grades, classroom activities and assignments.

RETENTION

Retention may occur if a student is not experiencing appropriate success with a grade level content. Promoted students in 3rd – 8th grades must have a "C" average in all core subjects; demonstrate grade level proficiency on standardized tests, and meet State law attendance requirements. Students in K- 2nd grade are promoted or retained based on results of the K-2 assessments, student work, and State law attendance requirements. Students must attend school 165 days to be promoted. The school will notify parents by letter and by phone call each quarter if a child is not meeting promotion requirements. We endeavor to make sure all children are succeeding, and strive to develop a success plan early in the school year. The school leader(s) make the final determination about promotion or retention.

INCLEMENT WEATHER PROCEDURES

Sometimes snow or other severe weather conditions require that we close school for the safety of our children. We will make the announcement as soon as the decision is made to close school.

Parents and students can help by following these suggestions:

In the event of inclement weather, watch Channel WFMY 2, WGHP FOX 8 or WXII 12. If school is closed for the next day, a definite announcement will be made by 6:30 a.m.

If there is no announcement, school will open as usual.

The Point College Preparatory & Leadership Academy does not follow the Guilford County School closings for inclement weather. Watch specifically for The Point College Preparatory & Leadership Academy.

Occasionally, very bad weather develops during the day. We monitor weather information continuously and will close schools early if conditions are becoming more hazardous. If this seems likely, please listen to your radio or watch your television for instructions. School officials will stay at school until students are picked up or sent home by whatever prearranged plans are made by parents for such occasions.

CONFIDENTIALITY AND ACCESS TO RECORDS

The Family Educational Rights and Privacy Act (FERPA), a federal law, gives parents (and students over 28 years of age) the right to see and copy the education records maintained about your child. If you would like to see or copy your child's records, please call the school to make an appointment with the office at least 24 hours in advance. The school may charge \$0.37cents per page for copying.

Policy Statement

It is the policy of the State Board of Education and The Point College Preparatory and Leadership Academy to maintain a safe, orderly, and caring learning environment in the public schools, an environment that is free from harassment, intimidation, bullying, and discrimination and is inclusive of all students. This policy includes, but is not limited to, the following types of acts: harassment, bullying, and discrimination based on an individual's race, color, sex, religion, creed, ethnicity, political belief, age, national origin, linguistic and language differences, sexual orientation, gender identity/expression, socioeconomic status, physical characteristics, marital status, or disability.

The Point College Preparatory and Leadership Academy prohibits acts of harassment, intimidation, bullying, or discrimination. A safe and civil environment in school is necessary for students to learn and to achieve high academic standards. Like other disruptive or violent behaviors, harassment, intimidation, bullying, or discrimination is conduct that impedes both a student's ability to learn and a school's ability to educate its students in a safe environment; and since students learn by example, school administrators, faculty, staff, and volunteers are to be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, bullying, or discrimination.

DEFINITIONS

Harassment, intimidation, bullying, or discrimination means any gesture or any written, verbal, or physical act that takes place on the Internet, on school property, at any school-sponsored function, or on a school bus and that:

- a. A reasonable person should know, under the circumstances, will have the effect of harming or humiliating a student or damaging the student's property or of placing a student in reasonable fear of harm to his person or damage to his property; or
- b. Has the effect of insulting or demeaning any student or group of students in such a way as to cause substantial disruption in, or substantial interference with the learning process and/or the orderly operation of the school.

HARASSMENT DEFINED

Harassment can be a type of unlawful discrimination. Harassment is unwanted, unwelcome, and uninvited behavior that demeans, threatens, or offends the victim and results in a hostile environment for the victim. Harassing behavior may include but is not limited to epithets, derogatory comments or slurs and lewd propositions, assault, impeding or blocking movement, offensive touching or any physical interference with normal work or movement, and visual insults, such as derogatory posters or cartoons. Legitimate age-appropriate pedagogical techniques are not considered harassing behavior.

The hostile environment can be created through pervasive or persistent misbehavior or a single incident, if sufficiently severe. It is possible for harassment to occur at various levels: between fellow students or co-workers, between supervisors and subordinates, between employees and students, or between non-employees, including visitors, and employees and/or students.

BULLYING DEFINED

Bullying is deliberately hurtful behavior repeated often over a period of time or on isolated occasions, by which somebody deliberately intimidates or harasses another. Some acts of bullying are simply one student or group of students exercising power and control over another student or group of students either in isolated incidents or through patterns of harassing or intimidating behavior. Bullying, which is the repeated abuse of a student over time or in isolated incidents by other student(s), can take many forms including any combination of physical, emotional, and verbal abuse.

Specific acts of bullying may include but are not limited to name calling, teasing, physical abuse (e.g., hitting, pushing, pinching, or kicking), taking of personal possessions, sending abusive text messages, instant messages, Internet e-mails, and phone messages, forcing others to hand over money, forcing others to do things against one's will, ignoring or leaving others out, attacking others in any way due to religion, gender, sexuality, disability, appearance, or racial or ethnic origin.

Specific reasons that motivate bullying acts may include but are not limited to the following: racist bullying, sexual bullying, bullying about sexual orientation, bullying about socioeconomic status or disability.

INTIMIDATION DEFINED

Intimidation is the use of fear or threat(s) to make others do what one wants. This may be fear of physical abuse, humiliation, loss of property, or the fear of harm to friends or loved ones. Some instances of bullying exemplify intimidation (e.g., stronger person makes weaker one fearful). Intimidation can be a threatening act or communication.

DISCRIMINATION DEFINED

Discrimination involves making distinctions between individuals or groups so that preferential treatment is given or denied. Types of discrimination include preferential treatment based on race, gender, religion, personal characteristics, national origin, sexual orientation, behavior, age, and political views.

Electronic Communications apply to employee and student emails, text messaging, instant messaging, chat rooms, blogging, websites and social networking websites (i.e. Snapchat or Instagram). Employees are required to report any actual or suspected violations of this policy. Students, parents, volunteers, visitors or others are also strongly encouraged to report any actual or suspected incidents of discrimination, harassment or bullying. Reports may be made anonymously, and all reports shall be investigated in accordance with that policy.

Expectations

The instructional services manager shall oversee the development and implementation of a school plan, as part of the School Improvement Plan, to identify, to prevent, and to notify parents of acts of harassment, intimidation, bullying, or discrimination. This school plan shall address consequences, effective interventions, reprisals, retaliations, or false accusations associated with acts of harassment, intimidation, bullying, or discrimination. Discrimination is illegal and will not be tolerated in The Point College Preparatory and Leadership Academy; and furthermore, all forms of abuse are unacceptable in our schools.

Active or passive support for bullying is prohibited. All school employees are required to report and act upon alleged acts of bullying. Students are encouraged to walk away from observed acts of bullying, constructively attempt to stop them, or report them to the designated authority.

CONSEQUENCES AND REMEDIAL ACTIONS FOR STUDENTS WHO COMMIT ACTS OF HARASSMENT, INTIMIDATION, BULLYING, OR DISCRIMINATION

In determining the appropriate response to students who commit one or more acts of harassment, discrimination, or bullying, school administrators shall consider the following factors: the developmental and maturity levels of the parties involved, the degree of harm, the surrounding circumstances, the nature of the behaviors, past incidences or past or continuing patterns of behavior, the relationships between the parties involved, and the context in which the alleged incidents occurred. Concluding whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances. It is only after meaningful consideration of these factors that an appropriate consequence should be determined, consistent with case law, Federal and State statutes, regulations, and policies, and school policies and procedures. Consequences for students who commit acts of bullying may range from positive behavioral interventions up to and including suspension or expulsion.

Procedures for Reporting an Act of Harassment, Intimidation, Bullying, or Discrimination

At the school, the School Leader or the School Leader’s designee is responsible for receiving complaints alleging violations of this policy. All school employees are required to report alleged violations of this policy to the School Leader or the School Leader’s designee. Since some acts of bullying may be bias-related acts and potentially hate or bias crimes, school officials must report to law enforcement officials either serious acts or a pattern of acts.

The initial report can be oral, but the formal report shall be written and include the written statement of the target individual(s) and the alleged perpetrator(s), and the time, location, and context of the incident including the names and statements of witnesses and/or those involved. Patterns of harassment, intimidation, bullying, or discrimination, if they exist, should be included in the report.

All members of the school community, including students, parents, volunteers, and visitors, are encouraged to officially report, orally, in writing, or anonymously, any act that may be a violation of this policy to a school administrator. All reasonable efforts shall be made to authenticate anonymous reports, but formal disciplinary action requires more than an anonymous report.

Prompt Investigation of Reports of Harassment, Intimidation, Bullying, or Discrimination

The School Leader is responsible for determining whether an alleged act constitutes a violation of this policy. In so doing, the School Leader and/or the School Leader's designee shall conduct a prompt, thorough, and complete investigation of the alleged incident.

School Response to Acts of Harassment, Intimidation, Bullying, or Discrimination

Some acts of bullying may be isolated incidents requiring only that the school respond appropriately to the individuals committing the acts. Other acts may be so serious or part of a larger pattern of bullying that they require a response either at the classroom, school building, or school level or by law enforcement officials. Consequences and appropriate remedial actions for students who commit an act of bullying range from positive behavioral interventions, including suspension or expulsion. The board recommends consequences that rise to the level of the infraction. Administrators shall report harassment, intimidation, bullying, or discrimination as such in reports to the Chief Executive Officer either on a case-by-case basis (if warranted) or in the annual disciplinary data report.

In considering whether a response beyond the individual level is appropriate, the administrator should consider the nature and circumstances of the act, the level of harm, the nature of the behavior, past incidents or past or continuing patterns of behavior, and the context in which the alleged incident(s) occurred.

Any or all of the following responses may be appropriate:

Individual responses can include positive behavioral interventions (e.g., peer mentoring, short-term counseling, life skills groups and punitive actions (e.g., in-school suspension, expulsion).

Classroom responses can include class discussions about an incident of bullying, role-playing activities, research projects, observing and discussing audio-visual materials on these subjects, and skill-building lessons in courtesy, tolerance, assertiveness, and conflict management. School-wide responses can include theme days, learning-station programs, parent programs, and information disseminated to students and parents.

Institutional (i.e., classroom, school building, school district) responses may include school and community surveys, mailings, focus groups, adoption of research-based bullying prevention program models, training for certified and non-certified staff, participation of parents and other community members and organizations, small or large group presentations for fully addressing the actions and the school's response to the actions in the context of the acceptable student behavior and the consequences of such actions, and involvement of law enforcement officers.

Other responses may include community involvement in policy review and development, professional development programs, adoption of curricula and coordination with community-based organizations (e.g., mental health, health services, health facilities, law enforcement, faith-based). Resources (e.g., counseling) will be made available to individual victims of bullying and responding to victims will be done in a manner that does not stigmatize victim(s).

Reprisal or Retaliation

Retaliation or reprisal against any person who reports a harassment, bullying, or discrimination incident(s) is strictly prohibited. Likewise, students and staff are prohibited from knowingly or willfully falsely accusing one another of harassment, intimidation, bullying, or discrimination as a means of retaliation, or reprisal. The consequence and appropriate remedial action for a person who engages in retaliation or reprisal shall be determined by the School Leader after consideration of the nature and circumstances of the act, in accordance with case law, Federal and State statutes and regulations, and school policies and procedures.

Consequences and Remedial Actions for False Accusations

Consequences and appropriate remedial action for a student found to have falsely accused another as a means of retaliation or reprisal range from positive behavioral interventions up to and including suspension or expulsion. Consequences and appropriate remedial action for a school employee found to have falsely accused another, as a means of retaliation or reprisal shall be disciplined in accordance with school policies, procedures, and agreements. Consequences and appropriate remedial action, including reports to appropriate law enforcement officials, for a visitor or volunteer found to have falsely accused another, as a means of retaliation or reprisal shall be determined by the school administrator after careful consideration of the nature and circumstances of the act.

Policy Dissemination

The policy shall be disseminated annually in the Student Code of conduct to all students, parents, and school staff, along with a statement explaining that the policy applies to all acts of harassment, intimidation, bullying, or discrimination that occur on school property, at school-sponsored functions, or on a school bus. The School Leader or designee shall develop an annual process for discussing with students the school policy on harassment, intimidation, bullying, or discrimination. All employees, students, and parents will sign a written statement indicating that they have received, read, and understood the policy and agree to abide by the provisions of the policy.

Staff Training

Training on the school's harassment, intimidation, bullying, or discrimination policy will be provided to all school employees and volunteers who have significant contact with students.

Bus Safety Policies and Procedures

These school bus policies and procedures have been established so students and parents of The College Preparatory and Leadership Academy, both public and non-public, will receive information leading to an understanding of the expectation of students while they are being transported to and from school.

These policies call for cooperation on the part of students, parents, bus drivers, and other school personnel, and have been developed to promote safety.

Parents are encouraged to study these policies and procedures with their child/children. Both parents and students should become familiar with what is expected for safe and orderly transportation to and from school.

Getting On and Off the Bus

Help the driver maintain the scheduled pickup times by being ready and waiting 10 minutes before the bus arrives. Too long of a wait with the departure time will cause late arrival of students to school. This is unfair to students, schools and other highway users, and multiplies hazards for the bus and its occupants.

Parents are responsible for the conduct of students while going to or from pick-up and drop-off points and for students' meeting the bus on schedule. CPLA provides transportation as a courtesy to our students. Therefore, parents are responsible for their child's supervision until such time he/she boards the bus and after the student leaves the bus at the end of the school day.

Students are to wait in the vehicle or parking lot with a parent/guardian. Parents are required to escort child(ren) to the bus for boarding. No running, pushing or shoving will be allowed when boarding or getting off the bus.

After the bus stops, wait until you get directions from the driver before getting on or off the bus.

Riding the Bus

- Only students enrolled at The College Preparatory and Leadership Academy and registered for transportation are permitted to board the bus.
- All school rules as listed in Parent/Student Handbook are also in effect while traveling on school buses.
- All students will be assigned seats on the bus by CPLA Staff if necessary.
- Take assigned seats as soon as you get on the bus. No standing will be permitted.
- All seats must be shared. If the bus is filled to capacity, state law permits three to each seat as long as students are safely contained within the seat compartment; this applies to junior and senior high students as well as those in the elementary grades.
- No student shall leave or be out of his/her seat while the bus is in motion.
- All parts of a student's body shall be kept inside the bus, especially when a window is open.
- Do not throw anything in the bus or out an open window.

- Nothing shall be held so it extends out of the window or in the aisle of the bus.
- Parents shall be financially responsible for any damage to the interior or exterior of the bus done by their child/children.
- No eating or drinking is permitted on the bus at any time.
- Talk quietly at all times. At intersections and at railroad crossings, there is to be no talking to ensure safety.
- Illegal drugs of any type shall not be permitted on the bus at any time.
- No smoking or use of tobacco products shall be allowed on the bus at any time.
- Absolutely no alcohol is allowed on the bus at any time.

Learn how to get off the bus in case of an emergency. The bus driver will conduct practice drills periodically.

Students must board the bus at their assigned bus depot location to and from school. Changes in bus pick-up or drop-off must be made through the office. Approval for any change must be requested by the parent or guardian in writing and turned in to the office. In the event your child will not ride the bus in the afternoon, please call the office before 1:00 p.m.

Obeying the Passenger Rules

The CPLA Staff and the driver will be responsible for the orderly conduct of his/her passengers. While on the bus, the student is under the authority of and directly responsible to the CPLA Staff and the bus driver, where applicable. The CPLA Staff and the driver have the authority to enforce the established procedures for bus conduct. If any student willfully refuses to obey the bus driver or the posted safety rules, a School Bus Incident Report shall be completed and turned in to The CPLA Office.

There is a level of NO Tolerance in regards to bus safety and the School Leader shall make the decision and notify the parents in writing of bus suspension with an explanation for this action. The bus driver will not permit the student to board the bus until the suspension is completed or the School Leader stipulates otherwise. The only due process required is notice to the parent and student of an intended bus riding suspension and an opportunity to appear before the administrator considering the suspension before it happens.

All students must be picked up at the SAME bus depot location Monday through Friday and dropped off at the SAME bus depot location Monday through Friday. Emergency situations arising require parents to notify the office.

Please note that for morning pick-up you will have to remain with your child until they are on the bus. For afternoon drop-off you will have to be present at the bus depot for the safe arrival of your child. If you are not present, your child will be brought back to The CPLA and you will be contacted to pick them up. After 2 times of failing to pick up your child, he/she will be suspended from the bus. After School Care fees will be applied and possible suspension of bus transportation.

We look forward to providing safe and quality transportation services to your family.
